Completing a Financial and Legal Assessment

In some cases, Kimberly-Clark may ask suppliers to complete various questionnaires – called **due diligence questionnaires (DDQs)**. Answering questionnaires is part of Kimberly-Clark’s risk management and onboarding processes. A typical questionnaire that most suppliers will answer is the **Financial and Legal Assessment**. This questionnaire (or DDQ) is used to determine financial and legal risk and must be completed as part of the onboarding process.

Additionally, there are various **risk programs** (actions and clarifications) that may be triggered in response to the various DDQs.

If a supplier meets the criteria to complete a **Financial and Legal Assessment**, the primary contact will be emailed a request to complete the assessment.

1. Suppliers will be sent an email invitation from Kimberly-Clark with the subject line, **Financial and Legal Assessment for <<insert company name>> is ready to complete** from Kimberly-Clark.
2. Click the **Link** in the invitation email to access the assessment.
3. Should you need additional support as you complete the DDQ, you can access the following:
 - a. The Kimberly-Clark **ChatBot**
 - b. Additional **training materials** (quick reference guides and videos)

Please continue to next page.

- Click the **Instructions** button to expand the instructions for form completion.

Note: Please answer all questions. Failure to complete required fields may have an impact on being able to service Kimberly-Clark.

If a Financial and Legal Assessment needs to be reassigned for completion to another individual in the organization, see the [Delegating a Financial and Legal Assessment section](#) of this document.

- In the **Financial Risk** section, provide the information to complete all applicable field. Please remember to complete all required (*) fields.

- In the **Legal** section, use the drop-down list options to answer the questions and complete all applicable fields. Please remember to complete all required (*) fields.
 - Note, selecting **Yes** to some questions will prompt additional required fields to provide a more detailed explanation for the answer choice.

- Click the **Submit** button when complete. The form will await K-C approval.

Delegating a Financial and Legal Assessment

If a Financial and Legal Assessment needs to be reassigned for completion by another individual in the organization, follow these steps.

Note: If you are repeatedly delegating tasks to another user at your organization, you may want to invite them to join CSP under your organization, instead. For information on how to add users to your organization’s CSP profile, please see the **“How to Invite Users to CSP”** section within the **How to Navigate and Use Coupa Supplier Portal** training guide.

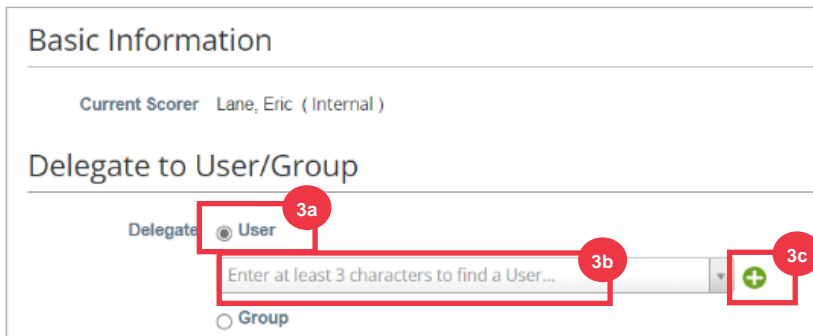

1. At the top or bottom of the assessment, select **Delegate** to assign the completion to someone else.
